Current site data supports treating this as a public-record theory lane, not as a proven hidden-command claim. This gives readers a disciplined way to explore a powerful narrative while separating records, analysis, inference, speculation and missing documents.
ITEM 130 Title: One-World Religion Theory Summary: Do interfaith initiatives, Vatican diplomacy, UN religious dialogue, global ethics statements, climate spirituality, peace summits, and symbolic convergence suggest an emerging universal religious or spiritual framework? Current site data supports treating this as a public-record theory lane, not as a proven hidden-command claim. This gives readers a disciplined way to explore a powerful narrative while separating records, analysis, inference, speculation and missing documents.
