WHAT THE RECORD CAN SUPPORT

- How D.O.G The Architect fits inside the Matrix Reprogrammed book universe.
- How to read symbolism, plate language, ritual architecture, and esoteric commentary responsibly.
- Why claim labels matter when occult interpretation meets public history.
- Where the collector offer, book page, and symbolic-power campaign connect.
- This brief supports reader orientation, evidence routing, public download value, and next actions.

SPECULATION BOUNDARY

- This free brief does not increase evidence strength. Treat it as a route map until the linked source/evidence page supports a stronger claim.
- Speculation must remain labelled and separated from court records, official data, documented associations, and confirmed facts.
