

Start From Zero - 30-Day Wealth Creation Sprint

MATRIX REPROGRAMMED | MAKING MONEY

30-DAY SPRINT

Days 1 - 3 - Stop the bleeding

Cancel or renegotiate non-essential recurring costs.

List debt by interest rate and minimum payment.

Protect rent, food, energy, transport and essential insurance first.

Days 4 - 7 - Create an offer

Choose a service based on a skill, local problem or existing equipment.

Write a one-sentence offer with price and result.

Ask real people what they would pay for before building anything.

Week 2 - Sell before scaling

Contact 50 potential buyers, employers or partners.

Deliver one small paid job well.

Collect proof, a testimonial and a referral.

Week 3 - Build repeatability

Turn delivery into a checklist.

Raise price only after evidence of demand.

Set aside tax and operating costs immediately.

Week 4 - Create the first asset

Build a EUR 250 - EUR 1,000 emergency buffer.

Pay down the most expensive debt.

Create a recurring offer, reusable product or automated saving rule.

EVIDENCE BOUNDARY

This guide is educational, not personalised financial, legal or tax advice.

Returns are not guaranteed. Tax rules depend on jurisdiction and circumstances.
