

What To Do Today - Quick Start Guide

MATRIX REPROGRAMMED | MAKING MONEY

TODAY CHECKLIST

Write down cash, debts, monthly essential costs and current income.

Cancel one recurring cost that does not improve health, income or security.

Choose one financial target for the next 90 days.

Select one skill or service that can be sold within seven days.

Contact ten potential customers, employers or partners today.

Open a separate savings space for emergency cash and tax reserves.

Read the fees and risks of every investment already owned.

Do not invest borrowed money or essential bill money.

Schedule one monthly money review and one annual professional tax review.

Download the Start Today guide and complete its checklist.

EVIDENCE BOUNDARY

This guide is educational, not personalised financial, legal or tax advice.

Returns are not guaranteed. Tax rules depend on jurisdiction and circumstances.
