ALTERNATIVE EXPLANATIONS

- ITEM 01

The most likely explanation may be ordinary institutional, professional, legal or social overlap rather than coordinated control.
- ITEM 02

Incomplete records or reporting gaps may create an apparent contradiction without deliberate concealment.
- ITEM 03

The explanation advanced by the subject or institution must be compared with dated primary evidence.
- ITEM 04

The public record is presently insufficient to determine which explanation is correct where competing accounts remain unresolved.
