Update Cadence Report

ALTERNATIVE EXPLANATIONS

- ITEM 01**

The most likely explanation may be ordinary institutional, professional, legal or social overlap rather than coordinated control.
- ITEM 02**

Incomplete records or reporting gaps may create an apparent contradiction without deliberate concealment.
- ITEM 03**

The explanation advanced by the subject or institution must be compared with dated primary evidence.
- ITEM 04**

The public record is presently insufficient to determine which explanation is correct where competing accounts remain unresolved.
